Each child needs 5 pennies, 2 nickels, 2 dimes and a quarter. Roll a die. Take that many pennies. If you get a six your turn is over. Put the pennies on the board. When you get 5 pennies trade them for a nickel. When all 5 penny spaces are filled, trade for a nickel. Trade 2 nickels for a dime. The first one to trade 2 dimes and a nickel for a quarter is the big saver!!
