

Safe Zone

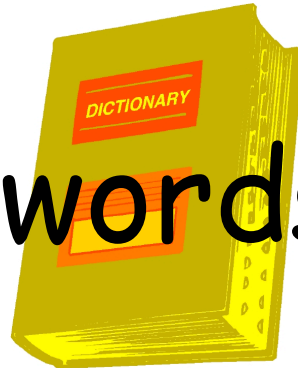

Singing With Shari:
Get Ready! #18

Do you have a friend in school

Who makes you feel real bad?

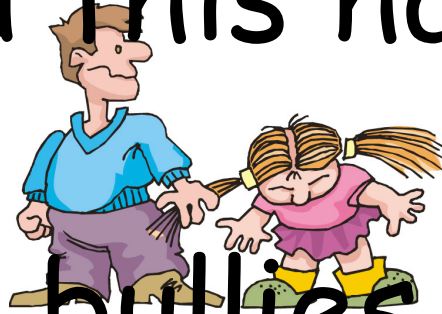

Their words or their actions

Sometimes make you feel so

If you've had this happen

If someone bullies you

It's not OK to feel bad

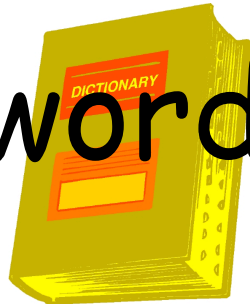

Here's what you can do

First tell the bully,

and say "no"

"Your words hurt my feelings

Your actions have to go."

Next tell the teacher if

They won't leave you alone

It's not OK to bully

School is a safe zone.

Safe zone, a safe zone

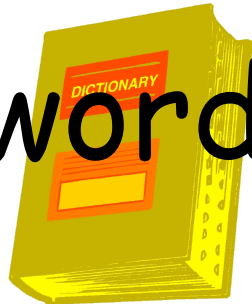

School is a safe zone

First tell the bully

and say "no"

"Your words hurt my feelings

Your actions have to go."

Next tell the teacher if

They won't leave you alone

It's not OK to bully

School is a safe zone.

Safe zone, a safe zone

School is a safe zone
